Your web project at a glance

Fill in what you already know. We can clarify missing details together. This template is a non-binding project enquiry, not an order.

Project / offer

Name / business (optional)

Which service do you need? You may select more than one.

- [ ] New HTML landing page
- [ ] HTML/CSS repairs
- [ ] Refresh an existing HTML page
- [ ] Build from a finished Figma design

Who is the page for? What should visitors do next?

Existing website or design link (if available)

What should be implemented? What must stay unchanged?

Which copy, images, source files or design frames are available?

Preferred date (optional)

Important features / production requirements

- [ ] I have permission to use the supplied content and have it modified.

Repairs / redesign: editable source files. Figma: finished desktop and mobile frames, exportable assets and fonts with usage rights.
